FROM

To

THE SECRETARY TO THE GOVT. OF MYSORE,
GENERAL AND REVENUE DEPARTMENTS.

SIR,

I have the honor to submit for the information of Government a detailed account of a class of habitual thieves called Bavaries, the series of burglaries they had committed in the Districts of Mysore, Bangalore and Tumkur and of the steps taken to get a number of them convicted. The credit of the exposure of the villainous doings of this class, belongs entirely to the City Inspector Kesar Sing. He was ably seconded in this attempt by some members of the City and of Bangalore District Police. But for their skilful and patient investigation and untiring efforts, these people would not only have gone scot. free but they would have continued to pass off as innocent religious mendicants and to carry on their burglaries without let or hindrance.

2 These investigations have enabled the Police Department to collect so much information about them and their doing and so much public attention has been drawn to these people that I may safely assert that their opportunities for committing thefts have been entirely cut off and that most of the have left or are going away from our Province.

3 The total number of thefts traced to them is twenty out of which convictions have been obtained in three and property to the value of Rs 3760/- has been recovered and delivered to the parties. The other cases could not be successfully prosecute as many of the accused persons are at large and as no stolen property was available for evidence, all having been converted into money.

4 Under these circumstances the City Inspector and his assistants deserve a substantial recognition for the meritorious work done, in addition to such preferment as they may be given in the course of official changes. I accordingly propose that a sum of Rs 250/- may be sanctioned for rewards, of which Rs 100/- will be given to the City Inspector in the form of a gold medal and the remaining Rs 150/- will be distributed among the other officers and men of whom a list is enclosed.

5 The complainants in the House breaking and theft cases of Closepet and Tumkur have promised a reward of Rs 100/- and Rs 50/- respectively, in appreciation of the good work done by the Police to trace out the whole property, reported to have bee lost. If these amounts are paid as promised, the Government have only to sanction a sum of Rs 100 in addition, or otherwise the amount of Rs 250/- recommended for special sanction is very reasonable and I beg that my proposals may kindly be sanctioned an early date.

6 The amont may be made available out of the Budget grant of Rs 2330/- sanctioned under " Rewards for good service" for the whole Province, for the year 1900-01.

I have the honor to be,

Sir,

Your most obedient servant,

INSPECTOR GENERAL OF POLICE IN MYSORE.
